Subject: Arkema Crosby Plant (TX) Inundation/Potential Fire

Good Morning Steve,

I was just looking for point of contact's for the Arkema Crosby Plant facility .

I have tried phone numbers for Crosby FD, Crosby Volunteer FD, Harris County OEM, David Wade (Greater Harris County LEPC Industrial POC/OEM Member), Crosby Fire Marshall, Harris County Pollution Control Services, and Arkema General ER Media Relations, to get information however, it's been very difficult to get facility point of contact information or at the very least, general situational awareness.

We haven't received any notifications via NRC or SERC regarding this facility in the past few days since Hurricane Harvey.

Here is a link to the article from which I became aware of the situation:

<http://www.chron.com/neighborhood/humble/news/article/Reports-of-chemical-plant-emergency-in-Crosby-12123269.php>

[Workers reportedly trapped inside flooded chemical plant in Crosby](http://www.chron.com/neighborhood/humble/news/article/Reports-of-chemical-plant-emergency-in-Crosby-12123269.php)

www.chron.com

Twelve workers were reportedly trapped early Tuesday morning at a Crosby chemical plant on the brink of catching fire as firefighters were on the way, according to the wife of one of the workers.

Thank you!

Catherine Sotelo
